"DON'T JUST ASPIRE TO MAKE A LIVING, ASPIRE TO MAKE A DIFFERENCE...MONEY WILL COME AND GO, BUT YOUR LEGACY LASTS FOREVER. HOW DO YOU WANT TO BE REMEMBERED? WHAT DO YOU WANT PEOPLE TO THINK WHEN YOUR NAME IS MENTIONED? EVERYDAY THAT YOU WAKE UP, YOU ARE GIVEN THE CHANCE TO IMPACT THE WORLD AROUND YOU. NO MATTER HOW BIG OR SMALL YOU MIGHT FEEL, YOU AND YOUR WORDS ARE VALUED. POUR INTO OTHERS AND WATCH HOW THE UNIVERSE REPAYS YOU."

LEGACY: Adding on Righteously!

Legacy is defined as something handed down from an ancestor or a predecessor. Most of us hardly, if ever, think what their legacy will be. What will they hand down to their seeds, the next generation, their family, and the Nation? How will future generations speak of you and your works (life's existence)?

A legacy can be positive (God) or negative (devil), and it can be both. B.U.T. a true legacy will leave your seeds and future generations in a better existence than yours or with a clear path to a better existence.

The legacy of Allah the Father is reflected in his works and his 5% NGE. Through his works, he has enhanced our existence and illuminated a clear path to a better future. Now, we must ask ourselves and honestly answer the question, "Will my works (life's existence) leave my seeds and future generations in a better position of existence and/or with a clear path to a better existence?" There can be no maybes. Either it will or it will not.

Legacy is about declaring to the world: "I am because they were, and they will be because I am." The True and Living in Savior Cee exists because of the works of Allah the Father and other dynamic figures like Almighty God Dawud Allah. Who would deny their legacy? They laid a cultural foundation and set an example of how to live and elevate within that culture in a meaningful way. In Savior Cee, after a period of stagnation, the True and Living Gods and Earths are now actively illuminating the legacies of Allah and Almighty God Dawud Allah by establishing the universal government of Allah World Manifest. This is achieved through the cultural activation of National Consciousness, Community Control, and Peace.

Through "What We Will Achieve" we are building a legacy that will not only leave our seeds in a better existence both mentally and physically, but is also illuminating a clear path of cultural understanding for the next generation to follow. We have established the following this year:

- Successful Parliaments and Family Day
- Just Move Universal Outreach
- Region 4 Conference
- SC Earth's Cipher
- Several ongoing initiatives:
 - Fresh Fruit Initiative: Donate fresh fruits for the babies to take home at each event.
 - Read with the babies: Encouraging the babies to read and write.
 - Walk/Run Initiative: Get up and move by yourself or with a partner.
 - Back to School: supplies donated

This legacy not only includes Gods and Earths in the exterior cipher of Savior Cee, but those in the interior cipher as well. The God, Understanding Self Allah's victory on behalf of the Nation for Gods and Earths to live the Culture of I-God in the interior cipher of Savior Cee without being persecuted for doing so. This victory reflects consistency, persistence, discipline, and love.

In the coming year of Wisdom Power Refinement, we will add to this legacy by adding on the following:

- Star's Corner: Scholarship initiative
- Initiating policy changes and a curriculum within the Interior Cipher
- Winter Oneness: Donating hats, gloves, and scarves to those in need.
- General Civilization Classes
- Just Move Universal Outreach Summer Program
- South Carolina Department of Probation, Parole and Pardon Reformation Bill/Proposal

We want to express our gratitude to everyone who has been active and is still actively engaging in our efforts to improve ourselves, our community, and our Nation. Keep adding on! Peace!
